

OPPORTUNITIES FOR NET ZERO EMISSIONS AUDIT (ONZE)

WHAT IS ONZE AUDIT ?

Are you wondering where to start your journey towards Net Zero Emissions?

ONZE audit can review your existing emissions and make a strategic plan to achieve the target; a net zero emission plan that is time bound and commercially viable at the same time.

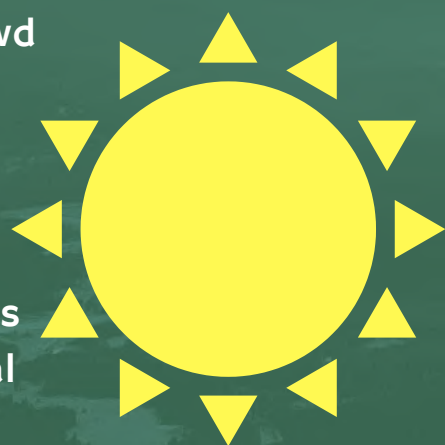

SCOPE OF THE AUDIT

- Audit existing emissions
- Identify opportunities to reduce/eliminate emissions
- Strategies to achieve the identified opportunities
- Develop commercially viable and time bound strategic plan to achieve net zero emissions

WHY PLAN NET ZERO EMISSIONS?

- Become a sustainability leader - stand out from crowd
- Contribute towards UK targets (Net Zero Emissions)
- Establish legitimacy of your brand
- Capitalise growing market share of environment conscious customers
- Adopt Integrated sustainability solutions for business
- Be ready for future regulations (Environmental, Social Governance for Business)
- Secure and Leverage future investment trends
